Dear Chris:

My Board of Directors would like to begin the process of investigating the installation of a new signal at Seward/Santa Monica. In the interim, I am requesting with service #66036 a traffic sign which limits drivers ability to turn left between the hours of 5pm to 7pm Monday thru Friday. Can you explain the process of getting signage there?

Thank you

Lisa Schechter  
Executive Director  
Hollywood Media District BID

Right now the only process to get time limited restrictions on parking is to show that we have a collision pattern involving that move, specifically during those hours. I will try to take a look at this in september and see if that criteria is met. Currently I only have data through January 31 of this year. If you know of any collisions since then let me know and I can try and get LAPD to send me a copy of the police reports.
